I=5	C#	29-Jul-2019	300	Asia		
	0	1	2	3	4	5
	Interview memory trick:					
	getLastRowNum() → last index getLastCellNum() → count					
	Interview memory trick:					
	getLastRowNum() → last index getLastCellNum() → count					
	So getLastRowNum() → last index --Rows -- 5 getLastCellNum() → count ==>4
